Honors All Hilltoppers !!!

Past

I was honored to be the Emcee in 2007 when Summit retired my teammate John Mallory's #22.

John and I played together on legendary Coach Howie Anderson's back-to-back '62 and '63 Conference and State Championship Teams. Our 1963 squad was SHS's first ever undefeated/untied team.

Present

Go Hilltoppers !!!

I coached many members of the current squad and I am proud of their hard work, dedication and work ethic. I wish them nothing but the best. They are champions of the heart.

Future

I have thoroughly enjoyed coaching youth football, baseball and basketball over the past 12 years. I look forward to rooting for future generations of Hilltoppers for many years to come.
